

Foreign Language Examinations are administered by the School of International Letters and Cultures once a semester. Competency is certified by the School of International Letters and Cultures upon satisfactory performance on a Foreign Language Examination specific to the particular graduate program in which the student is enrolled. The student must pass the examination in **no more than three attempts**. In order to be eligible for the second or third examination, the student must submit a petition through their IPOS. If they need assistance with the petition they should contact their advisor.

The School of International Letters & Cultures will notify, by e-mail, the student and the department of the results of the examination. **It is the student's responsibility to procure the book or materials, have the application signed by the committee chair** and turn in all materials to the School of International Letters and Cultures by the deadline stated at <https://silc.asu.edu/student-life/academic-advising/language-testing/graduates>. Approximately 200 pages of material should be presented.

PLEASE NOTE: Students must be registered for the semester/session in which they take the Graduate Foreign Language Examination. This form and the selected book must be submitted to the School of International Letters & Cultures by the due date on the website.
